Method Used to Conduct Review: Under Oklahoma State Statute, Title 75, Section 250.4, B, 20, the Oklahoma Office of Homeland Security is not required to comply with the provisions of Article II of the Administrative Procedures Act. For this reason, the Oklahoma Office of Homeland Security has never created any Administrative Rules that I can find.

I am not sure why the Legislature exempted the Office of Homeland Security from this Act, but I suspect it is partially because the office has to follow strict federal guidelines implemented by the U.S. Department of Homeland Security and the Federal Emergency Management Agency (FEMA) in how we administer our funds.
