

Oklahoma Employment Security Commission

Administrative Rules Report | Executive Order 2020-3

Comprehensive Review of Administrative Rules as of July 15, 2020

Report Submitted by: John E. Miley

Title: General Counsel and Legislative Liaison

Email: john.miley@oesc.state.ok.us

Phone: 405/557-7146

Method Used to Conduct Review: I read every rule in title 240 of the Oklahoma Administrative Rules (Rules for the Oklahoma Employment Security Commission).

TOTAL NUMBER OF UNNECESSARY, COSTLY, INEFFECTIVE, DUPLICATIVE OR OUTDATE REGULATIONS: 7

Title 240 Oklahoma Employment Security Commission

Chapter 1 General Provisions

Subchapter 5 Local Project Funding

Number: 1-5-1

Title: Purpose

Date created: 5/12/2003

Reason for Revoking: Unnecessary/Obsolete

Explanation: This rule was passed to create "Local Program Funding" for the OESC as envisioned by Executive Order 98-37. The OESC never entered into the type of contract provided for in the Local Project Funding program due to restrictions on the use of its federal grant funds. These rules are unnecessary to the programs and operation of the OESC and have been obsolete for many years.

Number: 1-5-2

Title: Definitions

Date created: 5/12/2003

Reason for Revoking: Unnecessary/Obsolete

Explanation: This rule was passed to create "Local Program Funding" for the OESC as envisioned by Executive Order 98-37. The OESC never entered into the type of contract provided for in the Local Project Funding program due to restrictions on the use of its federal grant funds. These rules are unnecessary to the programs and operation of the OESC and have been obsolete for many years.

Number: 1-5-3

Title: Local project funding announcement

Date created: 5/12/2003

Reason for Revoking: Unnecessary/Obsolete

Explanation: This rule was passed to create "Local Program Funding" for the OESC as envisioned by Executive Order 98-37. The OESC never entered into the type of contract provided for in the Local Project Funding program due to restrictions on the use of its federal grant funds. These rules are unnecessary to the programs and operation of the OESC and have been obsolete for many years.

Number: 1-5-4

Title: Evaluation of local project funding contract application

Date created: 5/12/2003

Reason for Revoking: Unnecessary/Obsolete

Explanation: This rule was passed to create "Local Program Funding" for the OESC as envisioned by Executive Order 98-37. The OESC never entered into the type of contract provided for in the Local Project Funding program due to restrictions on the use of its federal grant funds. These rules are unnecessary to the programs and operation of the OESC and have been obsolete for many years.

Number: 1-5-5

Title: Affidavit of LPF officer

Date created: 5/12/2003

Reason for Revoking: Unnecessary/Obsolete

Explanation: This rule was passed to create "Local Program Funding" for the OESC as envisioned by Executive Order 98-37. The OESC never entered into the type of contract

provided for in the Local Project Funding program due to restrictions on the use of its federal grant funds. These rules are unnecessary to the programs and operation of the OESC and have been obsolete for many years.

Number: 1-5-6

Title: Serial numbering of local project funding contracts

Date created: 5/12/2003

Reason for Revoking: Unnecessary/Obsolete

Explanation: This rule was passed to create "Local Program Funding" for the OESC as envisioned by Executive Order 98-37. The OESC never entered into the type of contract provided for in the Local Project Funding program due to restrictions on the use of its federal grant funds. These rules are unnecessary to the programs and operation of the OESC and have been obsolete for many years.

Number: 1-5-7

Title: Monitoring of local project funding contracts

Date created: 5/12/2003

Reason for Revoking: Unnecessary/Obsolete

Explanation: This rule was passed to create "Local Program Funding" for the OESC as envisioned by Executive Order 98-37. The OESC never entered into the type of contract provided for in the Local Project Funding program due to restrictions on the use of its federal grant funds. These rules are unnecessary to the programs and operation of the OESC and have been obsolete for many years.
